

Funtrition® Packaging Options

Infosheet

We are a leading provider of contract manufacturing and development services in advanced gummy technologies for the global nutraceutical industry.

Through our extensive capabilities and deep expertise in product development and gummy manufacturing, **we help different companies bring innovative supplement products to their markets and portfolios faster**, offering their consumers the exceptional nutritional experiences they deserve.

Our purpose is to have fun innovating in consumer experiences for well-being.

We are Art & Science

Inspired by **sophisticated artisan candy-making procedures that highlight the essence of our product and powered by top-of-the-line technologies** that ensure the most elevated sensorial experiences and quality standards, Funtrition® is proud to be driven by Art and Science.

In our **Packaging Engineering** area is where art, science, product protection, distribution, branding and customer experience, come together to design the perfect container for our creations.

**Coming Soon New Packaging Engineering Area in our Inspiration Center.*
