Magnesium: The Powerhouse Mineral

With a **44.5% increase** in sales in the VMS sector reaching **\$322 million**, Magnesium is gaining surging popularity as an essential mineral for overall health, playing a vital role in over 300 bodily processes.

This powerhouse mineral comes in various forms. At Funtrition® we've developed over **12 products** using magnesium citrate, known for its **great effectiveness and superior bioavailability**, and are working on new products using magnesium glycinate, considered a gentle compound for causing little to no digestive discomfort.

Lotus Womenly Harmony harnesses the power of magnesium to address nerve function and enhance mood support.
