Allergen-Free

Our Inspiration Center has developed:

MagEaze™. Formulated with a **dual-source magnesium system bisglycinate and citrate** designed to support **muscle function, nervous system health, and relaxation**, delivered in a great-tasting gummy format consumers enjoy taking every day.

Supported by our technology, **agar^oy™** MagEaze™ gummies offer a **plant-based solution** that delivers reliable performance in terms of **texture, stability, and flavor release**.

This technology allows for:

Clean, consistent gummy structure

Improved **stability** of mineral formulations

A smooth, enjoyable chew **without compromising efficacy**

Where Flavor Meets Function

MagEaze™ features a **naturally flavored mango-peach profile**, carefully developed to complement mineral supplementation while enhancing the overall sensory experience.

This balanced, fruit-forward flavor helps increase **consumer compliance and repeat purchase**, making MagEaze™ an attractive option for lifestyle and wellness-focused brands.

MagEaze™ is a **market-ready magnesium** solution that fits seamlessly across **multiple wellness platforms**.
