Information

Funtrition® by Procaps is a leading provider of Contract Manufacturing services in advanced gummy technologies for the global nutraceutical industry.

Through our extensive capabilities and deep expertise in product development and gummy manufacturing, we help different companies bring innovative supplement products to their markets faster, offering their consumers an exceptional experience, higher preference and superior adherence to different therapies and health concerns.

Our advanced delivery platforms, including gelatin and non-gelatin gummies such as Agar and pectin, plus our proven formulation, manufacturing and regulatory expertise, has enabled us to become an integrated CDMO, giving customers full-service, turnkey solutions in nutraceutical products across both development and delivery. Our gummy facility is HACCP, GMP, organic and Halal certified, as well as Health Canada and TGA certified manufacturers.

We are the perfect mix between science, nutrition and art.

Our commitment to bring the highest quality, functionality and superior nutrition is what makes us different. Let's create together market leading products with maximum efficacy, quality, and innovation.

Because renovating
& creating new
products is a true
labor of FUN for us!

Say bye to sugar!

As consumers look for effective and different ways to stay healthy, gummy vitamins continue to increase their value in the nutritional market.

While sales increase the need to offer “no sugar” options has increased as well. Excess sugar is one of the biggest concerns in the pathway to healthy living. Consumers increasingly opt for nutritious snacking choices with reduced or no sugar¹.

If you can't find what you're looking for we are more than happy to develop one just for you.

At funtrition we have developed a complete sugar-free portfolio that addresses different nutritional needs like everyday nutrition for the entire family as well as Gut, Brain, Bone and Heart Health.

We also offer options for her like beauty products and complete multivitamins. For him, we include in our portfolio products related to sports and multivitamins.

Remember all of our formulas can be personalized according to your brand and Consumers' needs.
