About Funtrition

Funtrition® by Procaps is a leading provider of Contract Manufacturing services in advanced gummy technologies for the global nutraceutical industry.

Through our extensive capabilities and deep expertise in product development and gummy manufacturing, we help different companies bring innovative supplement products to their markets faster, offering their consumers an exceptional experience, higher preference and superior adherence to different therapies and health concerns.

Our advanced delivery platforms, including **gelatin and Plant Based gummies** such as **Agar and pectin**, plus our proven formulation, manufacturing and regulatory expertise, has enabled us to become an integrated CDMO, giving customers full-service, turnkey solutions in nutraceutical products across both development and delivery.

Our gummy facility is GMP, HALAL, NSF, ORGANIC, HAACP certified.

Good nutrition
doesn't need
to be boring
anymore!

We define our work as the perfect combination between art and science

Where a team of gummy scientists have perfected the development and manufacturing process into an art. Enjoying a positive experience during product consumption is an essential

part, and at Funtrition® we are doing this by **Having fun while reinventing global consumers' wellbeing** through innovative nutritional experiences.

We want your consumers to crave for more of our gummy products.
